CUSTOM ECO-FRIENDLY *Lanyards*

Recycled plastic bottles made into finely weaved yarn for lanyards

RPET stands for recycled polyethylene terephthalate, or recycled PET. PET is a strong, durable and recyclable material that is used for soda bottles, water bottles and food jars, while RPET can be made into such products as blankets, insulation, car parts, shoes and more. RPET is produced by collecting, sorting and recycling PET, then refining the material into flakes that can be turned into new products. Using RPET as an alternative to PVC is a huge step forward on the path toward a greener, safer and cleaner future.

Huge step forward on the path toward a greener, safer and cleaner future.

Create your custom RPET Lanyards

Full color printing

Recycled RPET lanyards are printed in single or full colour process in CMYK with no colour restrictions.

Your choice of accessories

Choose from our selection of clips and add-ons as per your requirement.

Lanyard Details

Lanyard material is made from rPET (Recycled Polyethylene Terephthalate) which is safe and ECO Friendly.

Add-on options

Lanyards makes a Great Promotional Gift

Everybody likes to get something for nothing, and rewarding people for simply turning up at your booth is a great idea. Because lanyards are so useful, you can be sure yours will end up being worn again in the future. That way, you're promoting your product long after the event is over.
